**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-2, 4-25, and 27-43 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art taken singularly or in combination fails to anticipate or fairly suggest the limitations of the independent claims, in such a manner that a rejection under 35 U.S.C. 102 or 103 would be proper.

Specifically in regard to independent claim 1, the combinations of all of the specific limitations as disclosed in the claim are necessary in order to make the claim allowable. The combination of the limitations of claim 1 with an animated, that is, creating apparently spontaneous lifelike movement for the fixation image and the given the necessary numerical limitations described in claim 1 are unique in the art.

Specifically in regard to independent claim 24, the combinations of all of the specific limitations as disclosed in the claim are necessary in order to make the claim allowable. The combination of the limitations with an animated, that is creating apparently spontaneous lifelike movement for the fixation image with the given numerical limitations described in claim are unique in the art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
